

ANALYSIS

This ordinance amends Title 10 – Animals of the Los Angeles County Code, relating to the licensing of animals and animal facilities, and the care and breeding of animals.

The purpose of the ordinance is to add requirements relating primarily to the breeding of dogs to ensure the health and safety of breeding dogs. Related changes were made to add additional requirements for the licensing and recordkeeping of animal facilities, and to the definition of "person." The ordinance also deletes references to "kennels" and "establishments" and clarifies the meaning of relevant provisions.

ORDINANCE NO. _____

An ordinance amending Title 10 - Animals of the Los Angeles County Code, relating to the licensing of animals and animal facilities and the care and breeding of dogs and other animals.

The Board of Supervisors of the County of Los Angeles ordains as follows:

SECTION 1. Section 10.08.190 is hereby amended to read as follows:

10.08.190 Person.

"Person" means and includes an individual, a company, firm, partnership, corporation, trust, limited liability company, and any association of persons or other legal entity.

SECTION 2. Chapter 10.28 is hereby amended to read as follows:

Chapter 10.28 OTHER LICENSES FOR OTHER ANIMALS

SECTION 3. Section 10.28.010 is hereby amended to read as follows:

10.28.010 Application of Chapter 10.28 provisions.

This chapter applies to all licenses required by this Division 1 except licenses for individual dogs and cats.

SECTION 4. Section 10.28.050 is hereby amended to read as follows:

10.28.050 License requirements – ~~Inspection~~ Pprerequisites to issuance and renewal.

Upon the filing of any license or renewal application covered by this chapter, the director shall inspect and make such investigation as he deems proper. The director may issue a new license or renew the license if the following requirements are met:

A. The maintenance of the animal or animals at the location set forth in the application will not violate any law or ordinance of the county of Los Angeles, federal law or any law of the state of California, or constitute a menace to the health, peace or safety of the community;

B. The applicant has received approval from the director of the regional planning department that the maintenance of the animal or animals as defined in this chapter, at the location specified in the application for the license therefore, will not violate any provision of any zoning ordinance or other specific plan of land use; and

C. The applicant has not had a license, covered by this chapter, denied or revoked within the county of Los Angeles within twelve months prior to the application. However, the director may issue a license within the twelve month waiting period if the applicant is able to make the showing required by Section 10.28.150.

SECTION 5. Section 10.28.060 is hereby amended to read as follows:

SECTION 13. Section 10.40.200 is hereby added to read as follows:

10.40.200 Breeding license, restrictions and requirements.

A. General Requirements:

1. Dog Breeding license: A dog breeding license is an animal facility license issued to a person who breeds dogs commercially. A person, as defined in Section 10.08.190, applying for a dog breeding license shall comply with all licensing requirements set forth in Section 10.28.050, all other applicable ordinances, and all federal and State laws, including, but not limited to Health and Safety Code Section 122045 et. seq. Approval from the Veterinary Public Health division, Environmental Health division, or any other division of the Department of Public Health, may be required if necessary, due to health concerns. The size category of the dog to be bred (Adult size: 1-20 lbs.; 21-50 lbs.; 51-100 lbs.; and 101+ lbs.) and the number of dogs to be housed at the facility shall be noted on the license. A change in the size category of dogs bred requires reinspection and a new license application.

2. Breeding facilities housing fifty (50) or fewer sexually intact dogs over the age of one (1) year: An animal facility may not have more than a total of fifty (50) sexually intact dogs over the age of one (1) year, unless it meets the requirements of Subsection A.3. below. An animal facility having fifty (50) or fewer dogs shall have adequate staffing on the premises of the animal facility to attend to the dogs at least eight (8) hours in every twenty-four (24) hour period, so long as the dogs are not left unattended for longer than twelve (12) continuous hours. Whenever the dogs are left unattended, the telephone number of the department of animal care and control, or the name, address and telephone number of the responsible person, shall be posted in a conspicuous place at the front of the property.

3. Breeding facilities housing fifty-one (51) or more sexually intact dogs over the age of one (1) year: The director may approve an application for fifty-one (51) or more dogs if the applicant complies with the following additional requirements:

a. Facilities with fifty-one (51) or more sexually intact dogs over the age of one (1) year will be reinspected more frequently. The number of reinspections per year is determined by the number of dogs housed in the facility:

51-75 dogs: one (1) annual reinspection;

76-100 dogs: two (2) annual reinspections;

101-125 dogs: three (3) annual reinspections;

126-150 dogs: four (4) annual reinspections;

151 + dogs: five (5) annual reinspections.

b. The animal facility demonstrates that it is able to house and care for the number of dogs in compliance with the requirements of this section and all applicable requirements of Title 10;

c. The animal facility provides a written medical program, approved by a California licensed veterinarian, to prevent and control illness and parasitism. The program must include a regular de-worming schedule and a regular vaccination schedule against commonly transmitted canine diseases, and must be updated annually;

d. The animal facility maintains records on site, demonstrating that an annual veterinary examination has been performed on each intact male or female dog over one (1) year of age. The record of each exam must reflect that a

physical exam consisting of auscultation and palpation, and a visual evaluation of the dog including eyes, ears, mouth and general body condition was performed. The record of each exam must also include the weight, temperature, heart rate, respiration, any significant medical findings relating to the dog's condition, and any recommendations for treatment;

e. The animal facility obtains approval from the director of an emergency response plan, which is updated annually; and

f. The animal facility maintains adequate staffing at the facility eighteen (18) hours a day to attend to the animals. Whenever an animal is left unattended, the telephone number of the department of animal care and control, or the name, address and telephone number of the responsible person, shall be posted in a conspicuous place at the front of the property.

B. Health of breeding dogs:

1. A female unaltered dog shall be at least twelve (12) months old before being bred. Records of litters birthed are required to be maintained pursuant to Subsection D below;

2. Offspring shall not be removed from the premises earlier than eight (8) weeks of age except for medical reasons ordered by a California licensed veterinarian. The order shall be in writing, state the medical reason for early separation, and be provided to the department, if requested, up to two (2) years after its issuance.

C. Housing requirements:

1. The animals shall be housed in accordance with Section 10.40.010;

2. Each pregnant dog shall be housed separately at least three (3) days before giving birth and be monitored at reasonable intervals;

3. A dog who has just given birth shall be provided with a contained nesting area and housed with her litter in their own run or enclosure until the newborns are weaned.

D. Dog identification and recordkeeping:

1. The following current records shall be maintained and produced upon request to determine licensing compliance or for any other purpose relating to the public health, safety or welfare. These records shall be provided to a purchaser of any dog sold or transferred to another person by the facility:

a. All dogs shall be microchipped or tattooed upon reaching the age of four (4) months or prior to sale or transfer, whichever is earlier. Microchip and tattoo records shall be kept for all dogs.

b. In addition to the records required by California Health and Safety Code Sections 122050 and 122055 relating to dogs, breeding facilities shall keep the following records for all dogs: the date and from whom the dog was acquired; the date of each litter birthed by each female animal; veterinary records; and the cause of death and the method of disposal.

2. Knowingly providing false information or records relating to any animal is a misdemeanor.

E. Reasonable restrictions on the breeding of animals other than dogs: Breeders of animals other than dogs, which are normally kept as pets for sale or

exchange in return for consideration, shall comply with all applicable requirements of Section 10.40.010. In addition, the director may impose reasonable conditions on a breeding license, including a limitation on the number of animals permitted at a facility and may impose recordkeeping requirements, in the interest of the health and safety of the public and of the animals.

F. Noncompliance--penalties.

The penalties for violations of any provision of this Section 10.40.200 are as follows:

1. First violation. A first violation shall be an infraction punishable by a fine not to exceed two hundred fifty dollars (\$250). If the owner or custodian fails to correct the underlying cause of the violation within thirty (30) days after being notified of the violation, it shall be deemed a second violation.

2. Second violation. A violation within a year of a first violation shall be deemed a second violation. A second violation is a misdemeanor punishable by imprisonment in the county jail for a period not to exceed six (6) months or by a fine not to exceed one thousand dollars (\$1,000), or both. Each subsequent violation within one (1) year shall be considered an additional misdemeanor.

G. Noncompliance--injunctive relief.

Any act or failure to act which is a violation of this Section 10.40.200 may be the subject of a civil action to enjoin the person so acting or failing to act to conform

his or her conduct to the provisions of this Section 10.40.200. The filing and prosecution of such an action shall, in no way limit the authority or ability of the County to enforce the requirements of Section 10.40.200 or impose penalties or take any other action permitted by law.
